Director, Department of Behavioral and Primary Health Analytics

August 15, 2023

The data presented in the following tables were extracted from the data submitted to OBH for the period between April 1st, 2023 and June 30th, 2023. During the fourth quarter of the state fiscal year 2023, NEDHSA provided a total of 7,094 services through its six outpatient clinics. This is in comparison to 8,093; 6,804; and 7,604 services provided in the first, second, and third quarters, respectively. Out of the total 7,094 services provided in the fourth quarter, 40% (2,839) were billable, while the remaining 60% (4,255) were non-billable. Notably, 40% of the non-billable services (1,700) fell under the non-billable service code NB209, which indicates non-billable services due to a session being too short in length.
